

# PBXact UC System 100

Sangoma's PBXact UC System 100 is a cost effective mid-sized business communications solution that comes with support for advanced VoIP features and applications like unified communications, contact center support and IP trunking.

- » Ideal for mid-sized businesses and branch office locations
- » Supports up to 100 users or 30 calls
- » Cost-effective – ready to use with PBXact software and save with IP services
- » Easily deployed and managed with an intuitive web-based GUI
- » Flexible - supports IP, ISDN trunks or analog lines
- » Use virtually any IP telephone set or soft client

PBXact ships with 14 fully licensed and stabilized, powerful FreePBX application modules including mission specific modules for enterprises such as:

- » **Conference Pro** – advanced conference room management features with IVRs
- » **Voicemail Notify** – individual and group voice mail notification with responsibility management
- » **EndPoint Manager** – auto-provision and configure over 150 different types of phones
- » **Fax Pro** – inbound fax to email support with outbound faxing through GUI
- » **SysAdmin Pro** – tap into additional admin functions like email, UPS, update management and more

## Optional advanced feature add-ons

- » **XactView** – call management and presence desktop for end users
- » **High Availability Disaster Recovery** – create a complete HA & DR solution for PBXact environments

## Support and Professional Services

Sangoma offers a full complement of professional services including, technical support, software maintenance, training, deployment and consulting services.

## Warranty

All Sangoma PBXact UC System products are supported by a 1-year warranty. Extended warranties are available.

## Why Sangoma?

Sangoma's customer-centric approach, product innovation strategies and worldwide network of distribution partners allow it to deliver the industry's best-engineered, highest quality IP and UC solutions, supporting "any app, any where" for businesses and service providers of all sizes. All Sangoma products are backed by over 30 years of IP communications experience, expert engineering and technical resources and a comprehensive warranty.
